

CAREER SERVICES EDGE

ADVISE TEACH DISCOVER GROW

UW-Superior Career Services hopes that your semester is going well as you prepare for final lectures, exams, and new endeavors in the coming year. Please take a moment to review the second edition of *Career Services Edge*, the faculty/staff newsletter that will give you *the edge* to assist your students through their career and professional development. In this edition you will find information on currently growing industries, market trends, and new opportunities for upcoming graduates, as well as events and opportunities for current students.

New Video Resource on the Career Services Website

Twelve new videos have been added to the Career Services website to aid student in professional dress, interviews, career fairs, salary negotiations, networking, and more! Click the image to view.

UWS to Host the Head of the Lakes Spring Job Fair

In partnership with UMD and CSS, UWS will host the first *Head of the Lakes Spring Job Fair* in the new Yellowjacket Union Wednesday, March 10th from 2-6pm. Click the image to learn more.

Jacket Jobs Continues to Grow!

Thanks to your support our web-based recruitment system has grown in three months to include 500+ employers, 200+ employment and volunteer opportunities, as well as host multiple career events, on-campus interviews, and new student resources. Click the image to learn more.

PARTNER WITH CAREER SERVICES

We know the most effective way to discuss career transitions and professional development with students is through strong partnerships with academic departments. Please consider adding an assignment, workshop, or event to your department's Senior Experience or other course.
