

## **Philippe Cappeliez's Research**

### **RESEARCH FUNDING/SUBVENTIONS DE RECHERCHE**

#### **Peer reviewed projects/Projets évalués par les pairs**

##### **2009-2014**

Co-investigator (PI's: Lead PI – Parminder Raina, CO-PI's – Christina Wolfson, Susan Kirkland; Co-Investigators: 135 across Canada) on grant entitled *Canadian Longitudinal Study on Aging*. Canadian Institute of Health Research (CIHR); \$23,500,000

##### **2009 – 2011**

Co-investigator (T. O'Sullivan (PI), P. Gorr, M. Horne, L. Garcia, J. Jutai, S. Yaya, P. Cappeliez, B. Behnia, L. Lemyre, W. Corneil, E. Enarson, D. Shropshire, J. Webb) on grant entitled *Enhancing resilience among high risk populations to maximize disaster preparedness, response and recovery*. The federal chemical, biological, radiological-nuclear, and explosives (CBRNE) research technology initiative (CRTI), Defence Research and Development Canada Centre for Security Service (DRDC); \$ 1,922,250.

##### **2008 - 2012**

Co-Investigator (E. Bohlmeijer (PI), J.A. Walburg, S. Onrust, P. Cappeliez, F. Smit, & Ph. Spinoven) on grant entitled *Prevention of depression and anxiety in later life: A randomised trial of integrative reminiscence versus no prevention*. ZonMw: The Netherlands Organization for Health Research and Development; Euros 303,106.

##### **2006 – 2008**

Co-applicant (with P. Raina & the CLSA Working Group) on grant entitled *Canadian Longitudinal Study of Aging*. Development Activities Phase II funded by the Canadian Institutes of Health Research; \$2,100,000.

**2006 – 2009**

Principal Investigator (with N. O'Rourke) on grant entitled *Functions of reminiscence in late adulthood*. Three-year operating grant funded by the Social Sciences and Humanities Research Council of Canada (SSHRC); \$91,311.

**2006 – 2007**

Principal Investigator on grant entitled *Reminiscence Therapy for Depression in Long-Term Care*. Grant for project development by the Consortium National de Formation en Santé; \$9,740.

**2005 – 2008**

Co-Investigator (with N. O'Rourke, T. Hadjistavropoulos, S. Lupien, & A. Delongis) on grant entitled *The Behavioural and Physiological Effects of Selective Information Processing by Older Adults*. Three-year operating grant funded by the Social Sciences and Humanities Research Council of Canada; \$67,142.

**2005 – 2006**

Co-Investigator (with J. McCusker and Colleagues) on grant entitled *Collaborative Mental Health Care for Older Canadians*. Grant for project development by the Canadian Institutes of Health Research; \$10,000.

**2005 – 2006**

Co-Investigator (with J. McCusker and Colleagues) on grant entitled *Collaborative Mental Health Care for Older Canadians*. Grant for project development by the Réseau Québécois de Recherche sur le Vieillissement; \$7,500.

**2004 – 2009**

Co-Investigator (with M. Prévile & Colleagues) on grant entitled *Programme de recherche sur les épisodes de détresse psychologique sévère et sur les facteurs associés à l'utilisation des services de santé et à la consommation de psychotropes chez les personnes âgées*. Operating grant funded by the Canadian Institutes of Health Research; \$1,238,604.

**2004 – 2007**

Co-Investigator (with N. O'Rourke & T. Hadjistavropoulos) on grant entitled *Cognitive Adaptation and the Mental and Physical Well-Being of Older Adults*. Three-year operating grant funded by the Canadian Institutes of Health Research; \$124,581.

**2004 – 2005**

Co-investigator (with CLSA Working Group) on grant entitled *Canadian Longitudinal Study of Aging*. Development Activities Phase I funded by the Canadian Institutes of Health Research; \$1,744,000.

**2003 – 2004**

Co-investigator (with J. McCusker and Colleagues) on grant entitled *Feasibility Study for Multi-site Randomized Trial of Intervention for Depressed Older Patients in Primary Care Settings*. Operating grant funded by the Canadian Institutes of Health Research; \$131,572.

**2002 – 2005**

Principal Investigator on grant entitled *Functions of Reminiscence for Adaptation and Development in Late Adulthood*. Three-year operating grant funded by the Social Sciences and Humanities Research Council of Canada (SSHRC); \$81,149.

**2001**

Co-Investigator (with M. Prévile & Colleagues) on grant entitled *Épidémiologie de la détresse psychologique sévère et facteurs associés à l'utilisation des services de santé et à la consommation de psychotropes chez les personnes âgées vivant dans la communauté*. Project development grant funded by the Canadian Institutes of Health Research; \$52,000.

**1997**

Principal Investigator on grant entitled *Rétrospective de vie pour clientèle âgée dépressive*. Internal grant funded by the Centre d'hébergement et de soins de longue durée-La Piéta, Gatineau; \$10,000.

**1995**

Principal Investigator on grant entitled *Évaluation neuropsychologique longitudinale de sujets âgés avec un diagnostic de dépression majeure*. Project development grant funded by the Fondation du Centre Hospitalier Pierre-Janet, Hull; \$31,500.

**1994**

Principal Investigator on grant entitled *Évaluation des problèmes de mémoire dans la dépression gériatrique*. Project development grant funded by the Fondation du Centre Hospitalier Pierre-Janet, Hull; \$3,000.

**1993**

Co-recipient (with R.J. Flynn) of a grant from the Aid to Scholarly Publications Program, Canadian Federation of the Humanities and Social Sciences (Canada), for the book *Depression and the Social Environment: Research and Intervention with Neglected Populations*; \$8,263.

**1992**
