

CETL DISCIPLINE CONFERENCE GRANT REQUEST

PURPOSE: to support attendance by faculty and academic instructional staff at national discipline or field related conferences that also offer CETL, SoTL or teaching/learning related sessions supporting quality teaching/learning within a specific discipline.

GRANT AMOUNTS:

- \$100-\$500 grants available;
- limit \$500 total per staff member per academic year for one or more discipline related conferences;
- ongoing grant application process until funding exhausted (beginning July 21, 2011)

GRANT REQUIREMENTS:

- Provide documentation that faculty or academic instructional staff member will be attending a national discipline based conference in their field; provide details including name of conference, field, dates and specific sessions available specifically related to teaching/learning issues within the field
- Identify which 2 (TWO) sessions the grant applicant will commit to attending at the conference that are CETL, SoTL or teaching/learning related in the disciplinary field; names of sessions, presenters, times required as part of grant application
- Comply with all forms and procedures established by CETL for proper TER reimbursement; grant monies will be provided via TER process after the conference; documentation of attending teaching/learning sessions at disciplinary conference must be provided via Summary document sent to Director of CETL including (1) content of session; (2) specific teaching/learning insights gained through session; (3) specific intended changes to your teaching/learning as result of session; if no changes, explain why
- All CETL Disciplinary Grant Recipients must agree to present their insights/findings at a CETL Brown Bag Series in same academic year or the following academic year after receipt of grant.
