

Learn@UW-Superior Hands On!

CETL invites **all UW-Superior instructors** (faculty, academic instructional staff, ad hoc instructors; distance and on-campus) to sign up for two sessions to learn the basics of **Desire2Learn at UW-Superior:**

Session 1: Wednesday afternoon, **August 20:**
12:30 — 4:30 p.m.

Session 2: Thursday morning, **August 21:**
8:00 a.m. — 12:00 noon

Location: Swenson 2020 for both sessions

To reserve a seat, email cetl@uwsuper.edu with your name. The training is limited to 25 seats, so register now to reserve your place. It is highly recommended that you **commit to BOTH training sessions** to get the maximum value out of the D2L training.

These sessions will give instructors **new to UW-Superior hands-on training on how to use our Desire2Learn learning environment** as well as give our **returning faculty a refresher**.

Tom Tu and Stacy Leno will be setting up a basic course with News, Content, Discussions, Dropbox, Grades, and Quizzes. They will be using sample training courses, so you won't need to bring any actual course materials with you. If you have questions or ideas for one of your courses, there will be some time to work on them during this session.
