

CONSORTIUM AGREEMENTS WITH UW-COLLEGES:

The purpose of a consortium agreement is to allow the university from which you are seeking your degree (home campus) to consider your enrollment and corresponding costs to attend UW-Colleges on line (visiting campus) for either some or all of your semester credits. The home institution then awards and disburses financial aid for credits at both institutions. The consortium agreement further prohibits the UW-Colleges from processing financial aid for you for that term.

THE PROCESS:

- 1) Complete a financial aid file at UW-Superior.
- 2) Submit both the Request for a Consortium Agreement and the Consortium Agreement to the Financial Aid Office at UW-Superior.
- 3) Financial Aid will approve/deny your request and inform you of the results.
- 4) Approved applications will result in UW-Superior processing a Consortium Agreement with UW-Colleges.
- 5) UW-Colleges will provide information regarding the enrolled credits and corresponding costs. This will not be done until you have enrolled at UW-Colleges.
- 6) UW-Colleges returns the signed Consortium Agreement to UW-Superior.
- 7) UW-Superior Financial Aid Office revises and disburses financial aid as appropriate. The earliest financial aid is disbursed is the week prior to the start of the semester and only if you are enrolled in all classes you plan to take.
- 8) Student is responsible to pay or make arrangements to pay UW-Colleges per their requirements.
- 9) If you drop the credits, UW-Colleges notifies UW-Superior and you may owe money back to the financial aid programs.
- 10) You must request UW-Colleges to send an updated academic transcript to UW-Superior to transfer in your credits.
- 11) UW-Superior monitors your progress.

REQUEST FOR A CONSORTIUM AGREEMENT WITH UW-COLLEGES:

Consortium agreements are done on a very limited basis with primarily two situations that will be approved. Check the one that applies to you:

____ 1) You are required to take classes to satisfy your degree requirements and UW-Superior does not offer those classes.

____ 2) UW-Superior does not offer the coursework in the sequence you need to complete degree requirements in a timely manner (i.e., course is offered every other year). Attach a letter of explanation, a degree audit highlighting the required coursework, and a detailed plan for graduation outlining the courses you plan to take each semester.

I, _____(print name), request UW-Superior to enter into a consortium agreement with UW-Colleges for the fall/spring/summer term (circle one) of the academic year _____ (enter year) and grant permission to share my academic and financial aid information with UW-Colleges for the purpose of completing and processing a consortium agreement.

I further agree to request from the UW-Colleges that my credits be transferred to UW-Superior immediately after completion of the semester. I understand that no additional financial aid will be processed until the official credits have been received.
