Dear Parent,

Happy Holidays! UW-Superior **Holiday Giving Tree** program is designed to give students of UW-Superior and WITC a little extra help supplying gifts for their children during the holiday season. Here's how the program works:

Complete the UW-Superior **Holiday Giving Tree** Information Sheet for each child, 17years or younger, and return it to the UW-Superior Yellowjacket Union (YU) Information Desk by **6pm Monday, November 21, 2011**. On this sheet, please include a description of what your child would like - this can be as general as clothing or as specific as a particular storybook. Any size information and favorite colors would also be helpful as our gift-givers do not know your child. *All information provided will be kept confidential with the exception of the child's first name and gift suggestions.*

An ornament will be made for your child using a code system. The ornament will be placed on the **Holiday Giving Tree** in the YU Atrium. People from the UW-Superior and WITC campus communities will pick an ornament from the tree and purchase a gift for your child based on the information you provide. Your child's information will be available only to their specific gift-giver.

The gifts will be returned to the YU Information Desk by Monday, December 12, 2011. **Gifts will be ready for you to pick up December 19 through 23, 2011 at the YU Information Desk.**

The Giving Tree is sponsored by the Yellowjacket Union and Student Involvement.

If you have any questions or need more information, please feel free to contact Jasmyn Marten at jmarten4@uwsuper.edu

Thank you for your participation.
Happy Holidays!
Sincerely,

Jasmyn Marten- Volunteerism and Service Student Coordinator
Ann Miller- Assistant Dean of Students
