## Important Advising Dates Have Begun

**November 15– December 3:** Early advisement. This is the time when you will be able to register for spring classes (in early November start checking your E-hive for your assigned registration eligibility time). However, you must first meet with your academic advisor to discuss your classes and have your registration pin hold lifted. Contact your academic advisor for an appointment, and find out what you should do to prepare for the meeting.

## Harvest Meet n' Greet from 10/25/10

Can you guess who the mummies are?

On Monday, October 25th, Friend Family students, families, and friends gathered in the Multicultural Center in Old Main for some traditional Fall/Halloween fun. Activities included pumpkin carving, bobbing for apples, and a mummy wrapping contest (shown). All enjoyed sweet treats made of pumpkin, roasted seeds, and acorn squash, while sipping on hot apple cider with cinnamon.

## Cultural Night 2010

Cultural Night 2010 with its great theme "Breaking Barriers & Building Bridges" is already the thing of the past! Congratulations to you, the WSA Officers, and all the crew whose long weeks of effort brought this colorful & highly meaningful event into being.

The OIP staff would like to extend many thanks and congrats to WSA Officers, crew, and members for all their hard work! Let's keep the spirit of Cultural Night 2010 alive by breaking barriers of the familiar and by building bridges in the pursuit of peace and an attempt to understand each other!

DVDs of Cultural Night 2010 will be available in a week. Our videographer John (Jack) Hajewski in the Marketing Department is putting it together for us!
