MEMO TO: ALL NEW FRESHMEN FOR FALL SEMESTER, 2012

FROM: Tonya Roth  
Director of Admission

All new freshmen planning to enroll at UW-Superior for fall semester 2012 are **required** to submit the results of the Wisconsin Placement Tests **prior to registration for classes**.

UW-Superior policy dictates the following:

- **Math Placement Test: Required** for all students
- **English Placement Test:** Optional – we place students based upon their ACT English score (we recommend that students take this exam if their ACT English score is 18 or below)
- **Foreign Language Tests (French, German, or Spanish): Required** for all students who have taken a language in high school, prior to registering for any language at UW-Superior. Foreign language is **required** for students seeking the Bachelor of Arts degree as well as for students in some academic programs.
- **Please note:** If you have **Youth Options** credit, **Advanced Placement** credit, or **transfer** credit that you believe might satisfy the English, mathematics, or foreign language requirement, please contact us to determine whether your credits will exempt you from any of these testing requirements.

*To take advantage of the early opportunities to register for classes, you are strongly encouraged to register to take these exams as early this spring as possible.*

- You will be receiving additional information on our upcoming SOAR (Summer Orientation, Advisement, and Registration) dates for the early registration options offered this summer.
- **For your test scores to be available for your SOAR event, you must take your exams at least two (2) weeks prior to your SOAR event.**
