Teacher/Student Art Exhibition: SUPERIOR edition!
January 30 – February 21, 2020
Reception: January 30, 5-6pm

Art teachers do more than cultivate deeper understandings of line, shape, color, and form – they foster flexible thinking, teamwork, and an ability to handle failure. Art teachers encourage elastic thinking and inclusive behavior and share an appreciation for history and story telling. Celebrate the art teachers of Superior and their students with this exhibition that features both sides of the creative classroom.
