

**Health & Human Performance
Department Meeting Minutes
January 21, 2011**

Present: Glenn Carlson, Jen Christensen, Jeff Engstrom, Jim Geidner, Jay Johnson, Dave Kroll, Kim Lebard-Rankila, Don Mulhern, Ray Reinertsen, Bill Simpson, Robin Lisdahl

CIPT: Strategic Planning

Departments are asked to develop a three-year plan, which is intended to be reviewed and revised annually after the department completes its annual report. They are to develop goals and implementation strategies to help the campus accomplish the Seven Strategic Themes.

Mission

The current mission statement was reviewed. It was discussed how to incorporate Early Childhood and Special Education. It was suggested that they be added to the last sentence where pre-professional studies are listed. This was okay for now.

There was concern over the wording “non-teaching allied health professionals”. This will be discussed at a later date.

Goals Statement – the following goal statements were approved:

The goal of the University of Wisconsin-Superior Health and Human Performance Department is to:

- Foster the intellectual growth of all students concerning wellness for life as a core of their liberal arts education. (HHP 102)
- Develop critical thinking skills, positive attitudes and personal responsibility in all students toward leading productive and healthy lifestyles. (all courses)
- Graduate certified physical education/health/early childhood/special education teachers who are engaged in their professional endeavors, able to impart knowledge and skills to diverse populations in a variety of educational settings.
- Graduate students who seek careers in allied health professions who are engaged in their professional endeavors, able to impart knowledge and skills to diverse populations in a variety of professional settings who make a positive contribution to society.
- Achieve accreditation through the Commission on Accreditation of Allied Health Education Programs (CAAHEP) for the undergraduate curriculum in exercise science.

Outcomes (Specific.Measurable.Attainable.Realistic.Time-bound)

- Provide professional opportunities for students
- Approval for HHP Climbing Course
- Integrate ECED and SPED in to the HHP Department
- Serve the students

Faculty are to provide Glenn with 1 or 2 outcomes for their programs.

Meeting adjourned
