

**REQUIRED FOR ADMISSION TO UPPER DIVISION (300/400-LEVEL SBE COURSES)**

Students majoring in the SBE must be admitted to the school prior to enrolling in 300/400-level courses with the exception of 300/400 level economics courses. Students enrolling in 300/400 level economics courses only need to satisfy Econ 250 and Econ 251 prerequisite requirement.

**Admission Requirements:**

1. 2.3 overall cumulative GPA required (including transfer courses).
2. Complete the following SBE core courses with a cumulative GPA of at least 2.0 and with no grade lower than C-  
**BUS 270; ECON 250; ECON 251.** Students outside of the school who have completed ECON 235 can enroll in all 300/400 level economics course without being admitted to the SBE. However, if a student who has taken ECON 235 subsequently declares Economics as his/her major, he/she will have to complete the ECON 250 and ECON 251 sequence, along with BUS 270 in order to meet all requirements for admission to the SBE. In this case, ECON 235 can be counted as general elective credits. This is to ensure that all economics majors will have completed the same course requirements for their upper level training.
3. Complete **WRIT 102, 209 COMM 110; MATH 151 or 240.**
4. Complete all University Study Courses.
5. Students may not enroll on a Pass-Fail basis in any of the courses listed in 2 & 3.
6. Complete the SBE graduation plan, have it signed by your advisor and turn it in along with this application.

**Conditional approval may be granted if:**

1. All core requirements are satisfied the semester of admission.
2. All but 12 credits of the University Studies requirements are satisfied the semester of admission, or
3. By SBE Appeals Petition.

Students with majors offered by the SCHOOL OF BUSINESS AND ECONOMICS may not enroll in any of the courses listed in 2 or 3 on a Pass/Fail basis. The University Studies Mathematics requirement is satisfied by MATH 151 or 240.

*All of the requirements stated above also apply to transfer students.*
