**Special Topics and Independent Study:**

These are not required elements of the Psychology major, but may be used in some circumstances to help satisfy major requirements if the following conditions are met:

- Special Topics courses (390 sections) must be associated with a relevant content area or direct course substitution at the time of their creation by the Psychology program faculty instructing the course.
- Independent Study courses (490 sections) that students undertake with a faculty mentor must be aligned with a content area or direct course substitution in order to count towards requirements of the Psychology Major.

PSYC 390 - Special Topics in Psychology -- 1.00 - 3.00 credits

PSYC 490 - Independent Study -- 1.00 - 9.00 credits
