Notes:

To be certified, a Spanish Teacher Certification Minor must pass Wisconsin Department of Public Instruction certification requirements. To reach the mandated level of language competence, all Spanish Teacher Certification Minors will be required to spend time in study abroad usually at UW-Superior's cooperating institution in Costa Rica (or to participate in an alternative 30-day immersion experience).

A student should complete SPAN 202 and usually at least one 300-level Spanish course at UW-Superior before participating in Spanish Study Abroad.
