The online Bachelor of Science degree in Business Administration - Management Concentration is an ideal way to prepare for the next step in your career. It would be an asset if you are looking for a new job or preparing for advancement at your current place of employment. This program is ideal for those interested in general management, human resources, marketing management, sales management or other leadership positions.

This is a bachelor’s degree completion program. Credit can be granted for a wide variety of college-level courses to fulfill the general education requirements for a degree. If you have already completed your AA or AS degree, you may have already satisfied your general education requirements. Credit may also be received for professional experience and training.
