Getting Involved

Going to college means more than just going to class. It also means joining a campus community where you make new friends, develop personal interests, explore new activities and have fun.

Getting involved is fundamental to a liberal education where you learn both in and out of the classroom. UW-Superior is a great place to do all of this because there are many opportunities - all for you!

Student Involvement
There’s that word again...involvement. The Student Involvement staff provide you with a wide array of options including campus wide events such as Family Weekend, Gender Equity programs, leadership classes, and volunteer opportunities.

The Yellowjacket Activities Crew, where you help plan events and programs, and the Mascot Team are two more ways to be involved. So if your secret dream has always been to be a college mascot, now’s your chance!

For more information on Student Involvement go to uwsuper.edu/involvement.

Radio and Newspaper
Have fun, make friends, and build your résumé by working as an announcer or technician at KUWS, the Wisconsin Public Radio station located on campus, or as a reporter or editor at The Stinger, our online and print student newspaper.

Music and Theatre
Our music and theatre programs are open to everyone, and we offer many musical ensembles. You can audition for our orchestra, symphonic band, a cappella choir or one of our smaller ensembles such as the chamber orchestra, percussion ensemble or guitar ensemble. If you prefer the footlights, take part in our University Theatre program, which presents three large stage productions a year. You can audition for acting roles or work behind the scenes in lighting, sound, costumes and set construction.

Fitness
UW-Superior’s Marcovich Wellness Center is open to all students throughout the year. Join organized fitness and aquatic activities or work out on your own using the fitness center, weight room, indoor track, swimming pool, climbing wall, dance studio, racquetball, tennis and basketball courts.

Student Organizations/Clubs
UW-Superior has more than 50 recognized student organizations that focus on areas such as academics, hobbies, careers, politics, religion, culture, community service, sports, and outdoor activities. These organizations are formed and run by students. If you don’t find an organization that interests you, you and other students can form your own. Some examples of student organizations and clubs include: BBQ Club, Triathlon Club, Alternative Spring Break, Art Club, Colleges Against Cancer, World Student Association and more.

* The Non-resident Tuition Waiver (NTW)
Available for out-of-state residents other than Minnesota. NTW is a form of financial aid that enables the university to waive a portion of your out-of-state tuition. For more information, go to uwsuper.edu/NTW.
Intramural Sports
Have fun on a team or go solo in our intramural sports program. We offer everything from broomball and basketball to dodgeball tournaments and board games. Indoor and outdoor activities are available throughout the academic year: flag football, tennis, racquetball, badminton and volleyball are just a few. You also can bring your skates and join pick-up hockey games in Wessman Arena or enjoy open skating.

Superior Adventures
UW-Superior is just a short drive from Lake Superior and the forests, rivers and lakes of northwestern Wisconsin and northern Minnesota.

Our Superior Adventures program gives you easy access to the outdoors through safe, organized trips emphasizing adventure, environmental awareness, education, challenge, personal development, safety, a sense of community and fun. Join us for rock-climbing, kayaking, canoeing, winter hikes to the amazing ice caves on Lake Superior, skiing and snowboarding trips, and our annual spring break trip down south. Our trained Superior Adventures staff can help you explore new sports and develop new skills: get the hang of kayaking in our indoor pool or learn to climb on our indoor climbing wall.

Sport Clubs
Have fun with your friends through our Sport Clubs. Each club is formed, developed, governed and administered by students in conjunction with our Sport Clubs Coordinator. The only limit is your imagination. You can join the Ultimate Frisbee Club, Martial Arts Club, Swim Club, Tennis Club or Outdoor Club. Learn something new by joining students from other countries in the Cricket Club or Lacrosse Club. Get a real taste of northern Wisconsin through the Ice Hockey Club.

Residence Halls
Living on-campus gives you the greatest opportunity to get involved. From the day you move in, you are surrounded by a community of peers - some of whom will become your closest friends! The halls host great activities such as opening doors for trick-or-treaters from the community, floor competitions, and impromptu movie nights in the lounge.

You can also become part of the Residence Hall Association where you can help plan events and have a say in changes and improvements to living on campus.

Campus Visit
A campus visit offers an opportunity to tour our campus and meet with an Admissions counselor. We can arrange for you to meet a professor and visit a class in any area you choose.
