The NTW reduces the cost of tuition for undergraduate students who live outside the states of Wisconsin and Minnesota. Applying for a NTW is an excellent way to make the UW-Superior experience affordable.

NTW Facts

• NTW is intended for students whose permanent residence is outside of Wisconsin and Minnesota. Online/Distance Learning students are not eligible for NTW waivers.

• NTW comes in two forms - NTW Award which is worth $5,600 per year and the NTW Scholar Award which is worth $7,500 per year for up to 5 years.

• Students must maintain a 2.0 grade point average and be in good academic standing to remain eligible for NTW.

• Priority for awarding NTW is on a first come, first served basis, so it’s best for prospective students to enroll at UW-Superior and apply for NTW as early as possible.

• NTW is intended for undergraduate students attending UW-Superior full time. That means you are enrolled for at least 12 semester credits.

College made affordable? Yes!

Through the Non-Resident Tuition Waiver (NTW), the cost of attending UW-Superior becomes affordable to a wide range of students including out-of-state and international.

“The Non-Resident Tuition Waiver has done a lot for me considering I wouldn’t be here without it. With money as tight as it is being a college student, there is no way I would have been able to pay the out-of-state tuition. I would say that the NTW is pretty much responsible for my education so far.”
