UW-Superior offers several pre-professional programs that may lead to a bachelor’s degree from UW-Superior, or students may transfer to another university or professional program after completing their basic requirements at UW-Superior.

Students who begin their studies at UW-Superior gain solid preparation in basic coursework through small classes and individual attention from faculty members. Pre-professional coursework at UW-Superior is designed to prepare students to take the appropriate admissions exams for professional programs.

UW-Superior offers these pre-professional programs:

- Chiropractic
- Dentistry
- Engineering
- Law
- Medicine
- Nursing
- Occupational Therapy
- Pharmacy
- Physical Therapy
- Physician’s Assistant
- Podiatry
- Veterinary Medicine

Strong programs in Biology and Chemistry offer excellent preparation for students planning careers in medicine and health care.

A challenging Mathematics program prepares students for the rigors of an engineering education.

The Biology program’s courses in Plant Sciences and UW-Superior’s location near forests and wetlands offer excellent preparation for students interested in forestry.

Strong programs in Legal Studies, History, Political Science and Criminal Justice provide excellent resources for students seeking entry into law school.

Academic advisors help pre-professional students select the courses they need to qualify for admission to professional programs.

UW-Superior’s affordable tuition enables students to reduce their educational costs before transferring to another institution.

A visit to UW-Superior offers an opportunity to tour our campus and meet with an Admissions counselor. We can arrange for you to meet a professor and sit in on a class of your choice. To arrange a tour, contact Admissions at admissions@uwsuper.edu or 715-394-8230.
