The University’s Veterans Coordinator is prepared to help you with all of the confusing paperwork that comes with the Veterans Administration, and the admissions counselors will assist you in transferring your military credits to UW-Superior.

Let us help you succeed in completing your education. Arrange a visit and tour of campus. You can also find out more about veteran transition online at uwsuper.edu/veterans.

What UW-Superior offers Veterans

- **Mental Health Counselors** to answer all your transitioning questions
- **Nontraditional student on-campus housing**
