When to Apply
Apply after September 1, 2014, but before August 1, 2015 for Fall 2015 Semester. The priority application date for spring semester is December 15, 2014, and for fall semester is April 1, 2015. Apply early to be eligible for early class registration and scholarships.

How to Apply
- Apply online at uwsuper.edu/apply.
- Submit the application along with your $44 application fee.
- Submit official transcripts. Have your official transcripts sent from any and all college(s), technical school(s), military, PSEO (CITS) or AP you attended or received credit from to UW-Superior, Admissions, PO BOX 2000, Superior, WI 54880.
- If you do not have the equivalent of an Associate Degree, you must send or submit your high school transcript. Your ACT/SAT is required if you are under the age of 20.

Transferring to UW-Superior is easy. To help you with the process, just follow this checklist of things to do. Questions? Contact us!

You’re accepted. Congrats! What’s next?
- Apply for Financial Aid. After January 1st the Free Application for Federal Student Aid (FAFSA) is available online at FAFSA.ed.gov. Complete and submit the financial aid application before March 1st to meet the priority filing date. Applications may be submitted after the priority date; however, funds may be limited. Our FAFSA code is 003925. Get details at uwsuper.edu/finaid.
- Submit your $100 enrollment deposit. Pay your $100 enrollment deposit to the Office of Admissions for fall semester. This deposit, which will be applied to your first-term cost of attendance, secures your place in the class and makes you eligible for advising, registration and other services. Pay online today by going to uwsuper.edu/enrollmentdeposit.
- Apply for campus housing if required. (Look on back for important residency requirements under Housing Requirements.)
- Submit placement test scores if required. (More Placement Test information on back.)
- Minnesota Residents. Minnesota students must file for reduced tuition rates by submitting a reciprocity form to the Minnesota Higher Education Services Office, Reciprocity Program. Apply online at getreadyforcollege.org.
- Submit the Declare Your Major form. You must complete and submit this form in order to complete orientation and registration by going to uwsuper.edu/advise/forms/declare-major-transfers.
- Complete online orientation. Online orientation is required for all incoming transfer students with 22 or more credits. Complete the online orientation by going to uwsuper.edu/fye/orientation/online.
- Complete Transfer Welcome Conversation. Once you have completed the online orientation, you will be required to have a conversation with a member of the Center for Academic Advising staff. It is your responsibility to schedule an appointment, or you will not be able to register for classes.
- Register for classes. Registration for Fall begins mid-April and Spring begins mid-November.

* The Non-resident Tuition Waiver (NTW)
Available for out-of-state residents other than Minnesota. NTW is a form of financial aid that enables the university to waive a portion of your out-of-state tuition. For more information, go to uwsuper.edu/NTW.
Admissions
Transfer Checklist (cont.)

Transfer Details

Transfer Students
Applicants transferring from regionally accredited colleges or universities with a cumulative grade point average of 2.0 or higher will be admitted in good standing. Other documentation may be required for the admissions process including, but not limited to, letters of recommendation, a written statement and a personal interview. There are some majors that require a higher GPA for admission to their programs.

Transfer Credits
If you are transferring from:

• An accredited college, university or community college: As long as the courses are in a similar curriculum and you received a grade of "D" or higher, the credit should transfer. Some degree programs require at least a "C" or higher in order to be used in transfer. It’s good practice to keep a copy of your course description, syllabus and catalog from the college/university/community college where the courses were taken.

• A technical college: UW-Superior offers various program-to-program articulation agreements for students who have completed a specific degree program or certification requirement. For specific technical college transferability, contact our Transfer Coordinator Shane Deadrick at sdeadric@uwsuper.edu or 715-394-8127.

• A non-accredited institution: Credit may be awarded through the Assessment of Prior Learning. Learn more by going to uwsuper.edu/pla.

Military Experience
Students who have served one year or more of active duty in the Armed Services may receive credit for certain specialized training programs completed while in military service. A copy of your military transcript is required. A maximum of 32 Military Credits may be transferred into UW-Superior. Students can also receive up to 4 credits for basic training. Learn more by going to uwsuper.edu/veterans.

Work Experience
Credit may be awarded for related work experience or other work-related training. For more information about Credit for Prior Learning, go to uwsuper.edu/pla.

Credit Limits
There is no specific limit on the number of credits a student can transfer from a four-year institution. Students transferring from two-year institutions or a combination of two-year institutions can transfer a maximum of 72 semester credits. In order to earn a bachelor’s degree from UW-Superior, all students must have 30 or more undergraduate credits earned at UW-Superior and the last 12 undergraduate credits must be earned in residence.

Transfer Limitations
UW-Superior transfers in credits but not grade points. This means that transfer coursework will NOT affect cumulative GPA at UW-Superior. Transfer coursework will not be accepted or used for repeat purposes if a student has already earned a passing grade in the same course at UW-Superior. However, transfer grade points are used when calculating students cumulative GPA for graduation honors purposes and for entrance into some majors such as Teacher Education and Social Work.

Placement Testing
UW-Superior requires some transfer students to take the Wisconsin Placement Tests prior to registering for classes. This determines placement into appropriate levels of mathematics and English. The tests are offered beginning in April and most UW System campuses are test sites. Students admitted to UW-Superior will be sent registration information. Please call (715) 394-8185 for specific dates and registration information.

Campus Visit
A campus visit offers an opportunity to tour our campus and meet with an Admissions counselor. We can arrange for you to meet a professor and visit a class in any area you choose.

To Arrange a Visit
Online: uwsuper.edu/visit
Email: admissions@uwsuper.edu
Phone: 715-394-8230

Housing Requirements
Freshmen and sophomore students (students who have not earned 56 credits or more as of the first day of Fall semester classes) who are not veterans, married or living with parent(s) or guardian AND who have not reached the age of 20 by the first day of classes of fall semester are required to live on campus. For more information, please see the Residence Life website at uwsuper.edu/reslife.
