For veterans and nontraditional students, going to college means a lot more than going to class. Often times, being an older student requires more time and commitment outside of the classroom with managing work, finances, relationships, and families.

The Veteran and Nontraditional Student Center is here to support you. Feel free to stop into the Center at any time to learn about upcoming programs, utilize our resources, or just hang out and study.

Programs and Events
The Veteran and Nontraditional Student Center is proud to sponsor and host four programs focused on helping veteran and nontraditional students enjoy their collegiate experience through fun activities, support groups, and informational sessions.

The four programs hosted by the Veteran and Nontraditional Student Center include:

• Got Kids?
Have fun and get to know other students with children during our events that allow you to support one another as college students and parents. These events are designed to be fun for both children and parents!

• Nontraditional Students Social Nights
Feel too "old" to be a college student? Well you’re completely wrong! The Veteran and Nontraditional Student Center hosts an event for nontraditional students to come together and support each other in fun activities. These entertaining events are always a great way to meet fellow students similar to you.

• Events for Veterans
The Veteran and Nontraditional Student Center recognizes the sacrifices veterans have made through their service and are proud to host events specifically for veterans. During these events, you will meet fellow student veterans and support each others’ successes through various activities while learning about the resources available to you on campus.

• Success Net
Success Net is a peer-to-peer leadership program for veteran and nontraditional students and their families. Success Net will pair you with a fellow veteran/nontraditional student who knows the ropes - the campus, community, services, events, how to get connected and more. Your coach can serve as your go-to resource as you start your academic career at UW-Superior.

Veteran Benefits
Veterans, be sure to stop into the Center to learn more about veteran benefits. Our knowledgable staff can answer any questions or concerns you may have about benefits. Available to help you at our Center is a Veterans Benefit Coordinator, an Outreach Specialist from the local Vet Center, and a County Veteran Service Officer. For more information, go to uwsuper.edu/vnsc.

Childcare Subsidy Program
If you are a student with children, be sure to ask about the UW-Superior Child Care Subsidy Program. This program was created to provide students with adequate childcare by granting money to qualified enrolled students. The staff at the Center can help walk you through the process of applying for this program. For more information, go to uwsuper.edu/campuslife/childcare.
