"UWS was the perfect place for me. The individual attention I got from faculty and the way they invested in me is something I don’t think happens everywhere."

DAKOTA DANSEREAU
Computer Science Class of 2023

“My high school academic achievement provided opportunities to go to some larger universities, but when I toured them, I just didn’t feel comfortable. The minute I stepped onto the UWS campus, I felt at home and I knew that all the opportunities available to me at the other universities were here, too. Not only that, but I was awarded a full-tuition Swenson Scholarship, which is just incredible."
