

Wisconsin's Public Liberal Arts College

**ARTICULATION AGREEMENT**  
for transfer of credits between

The University of Wisconsin-Superior Bachelor of Science in Social Work Degree  
and the  
Lake Superior College (LSC) Associate of Arts Degree

Effective Dates: January 2014-December 2019 Review Date: June 2019

**Introduction and Rationale:**

The University of Wisconsin-Superior maintains an educational partnership with LSC to provide opportunities for students to enter bachelor's degree completion programs. In the interest of fostering cooperation between our institutions, and to better serve the transfer of students from LSC to the University of Wisconsin-Superior, the faculty and administration of our institutions have established this articulation agreement.

This Agreement specifies the transfer of credit from the LSC Associate Degree named above to the UW-S Bachelor's Degree named above in recognition that the LSC program prepares students for the admission to this Bachelor's degree program. The underlying assumption for this Agreement is that LSC provides a foundation of coursework and the University provides the upper-level courses required within the Bachelor's degree program.

LSC students who successfully complete the Human Services Associate degree named above and wishing to transfer to the University of Wisconsin-Superior will be awarded the following credits toward a Bachelor of Science Social Work Degree.

LSC Program			UW-Superior Program		
Course #	Course title	Cr	Course #	Course title	Cr. granted
GENERAL EDUCATION COURSES are satisfied by the AA degree from LSC.					

MAJOR COURSES –REQUIRED NON-SOCIAL WORK					
MATH 2210	Introductory Statistics	3	MATH 130	Elementary Statistics	3
SOC 1145	Race, Class and Gender	3	SOCI 273	Race and Ethnicity	3
MAJOR COURSES –Biological Determinants of Human Behavior (Need one)					
BIOL 1007	Biology and Society	4	BIO 123	Concepts of Biology	4
MAJOR COURSE –Systemic Determinants of Human Behavior (Need one)					
SOC 1114	Criminal Justice & Society	3	CJUS 106	Human Behavior & its Control	3
ECON 1150	Principles of Macroeconomics	3	ECON 251	Principles of Macroeconomics	3
MAJOR COURSES –Inter-Intra Personal Determinants of Human Behavior (Need one)					
PSYC 1120	General Psychology	3	PSYC 101	Intro to Psychology	3
PSYC 2140	Abnormal Psychology	3	PSYC 289	Psychology Elective	3
SOC 1111	Introduction to Sociology	3	SOC 101	Intro to Sociology	3

### Requirements and Considerations:

Students from LSC must have completed the above-named program with a cumulative grade point average of at least 2.3 and up to 4.0 for consideration for transfer under the terms of this document.

LSC general education/breadth courses in communications, social sciences, mathematics and natural science may transfer in to fulfill UW-Superior general education requirements in these areas. All UW-Superior general education core and knowledge category requirements not met by transfer credits must be completed.

A minimum of 15 credits from the program named above (LSC) may be transferred in as listed above and counted towards the social work degree.

***Other credits from LSC may come in as credits toward graduation, but do not fit in a particular category in relation to the social work degree.***

Elective courses taken at LSC which are not listed in this agreement will be reviewed by the faculty of the UW-Superior degree program named above on a case by case basis.

Sixty-four to sixty-five (64-65) total credits are required to complete the bachelor's degree named above.

A minimum of 30 credits must be earned at UW-Superior in order to be awarded any degree from UW-Superior. The last 12 credits must be taken at UW-Superior.

Students must maintain a 2.5/4.0 grade point average in upper division courses to be eligible for the bachelor's degree named above.

Students are required to complete a final internship and senior research project to fulfill graduation requirements for the bachelor's degree named above.

Students are required to apply to be accepted into the Social Work Major by filing an application with an academic advisor before entering SO W 340 Methods of Practice I, and SO W 341 Methods of Practice II, and SO W 344 HBSE I. In addition to submitting the application,

students must demonstrate suitability and capacity to enter the profession of social work according to Admission/Continuation Competencies listed in the "Social Work Student Handbook" and meet with a Review Committee as a part of the admission process.

**Conditions:**

The terms of this articulation agreement apply only for the purposes of entry to the Bachelor of Social Work Degree at the University of Wisconsin-Superior. LSC students seeking admission to other degree programs offered at UW-Superior may transfer to the University only those credits recognized under the current UW System-Transfer Guidelines as documented on the Transfer Information System web site at <http://www.uwsa.edu/tis/>.

This agreement is limited to University requirements for completion of a Bachelor's degree only. Students seeking certification for licensure in particular fields must complete any additional requirements for such certification.
