

Wisconsin's Public Liberal Arts College

**ARTICULATION AGREEMENT  
for transfer of credits between**

**The University of Wisconsin-Superior Sustainable Management  
Bachelor of Science Degree**

and

**Mid-State Technical College**

Effective Dates: January 2011-December 2014      Review Date: June 2014

***Introduction and Rationale:***

The University of Wisconsin-Superior maintains an educational partnership with the Wisconsin Technical Colleges to provide opportunities for students to enter bachelor's degree completion programs. In the interest of fostering cooperation between our institutions, and to better serve the transfer of students from Wisconsin Technical Colleges to the University of Wisconsin-Superior, the faculty and administration of our institutions have established this articulation agreement.

This Agreement specifies the transfer of credit from Mid-State Technical College to the UW-Superior Bachelor's Degree named above in recognition that MSTC prepares students for admission to this Bachelor's degree program. The underlying assumption for this Agreement is that the technical college provides a foundation of coursework and the University provides the upper-level courses required within the Bachelor's degree program.

MSTC students wishing to transfer to the University of Wisconsin-Superior will be awarded the following credits toward a B.S. Degree in Sustainable Management.

WTCS Program

**Requirements:**

All UW-Superior general education core and knowledge category requirements not met by transfer credits must be completed.

36 credits from the program named above may be transferred in as listed above.

Elective courses taken at MSTC which are not listed in this agreement will be reviewed by the faculty of the UW-Superior degree program named above on a case by case basis.

84 total credits are required to complete the bachelor's degree named above.

A minimum of 30 credits must be earned at UW-Superior in order to be awarded a degree from UW-Superior.

Students are required to complete a final project (Senior Experience) to fulfill graduation requirements for the bachelor's degree named above.

**Conditions:**

The terms of this articulation agreement apply only for the purposes of entry to the Bachelor of Science Degree in Sustainable Management at the University of Wisconsin-Superior. MSTC students seeking admission to other degree programs offered at UW-Superior may transfer to the University only those credits recognized under the current UW System-Transfer Guidelines as documented on the Transfer Information System web site at <http://www.uwsa.edu/tis/>.

This agreement is limited to University requirements for completion of a Bachelor's degree only. Students seeking certification for licensure in particular fields must complete any additional requirements for such certification.
