Welcome Back!

The Admissions Office would like to give a warm welcome back to all faculty and staff here at UWS! Campus is looking as lively as ever, after a cold winter break, and the admissions office has been plugging away with prospective students! The Spring 2014 semester has just begun and, although the weather has been a bit challenging, we hope everyone has a smooth start to the semester.

News from the Admissions Office:
Admissions staff members Jordan Appicelli and Tonya Roth are headed to Wisconsin Dells on the 20th of the month to assist in planning the annual Wisconsin Association of Collegiate Registrars and Admissions Officers (WACRAO) conference. Be sure to wish them a safe and successful trip!
Call Team!

Call team, like all of you, is starting out the new semester strong! So far, they have been working vigorously to spread the word about the upcoming TED Preview Day, which will be held on the 21st of this month. Also, our very own Kristina Wood is the new and upcoming call team supervisor! Way to go, Call Team!

Ambassador of the Month:

Scott McNorton is a junior from Waynesboro, VA, majoring in Physical Education with minors in Health, Coaching, and Adaptive Education. He is a non-traditional student, at the age of 33, and has two children, a 10-year-old daughter and a 7-year-old son. This is his second semester working as an Ambassador, but he has been working for UWS since his very first semester here. In addition to being a fine Campus Ambassador, Scott is also an RA in the Res Life office, a Building Manager at the MWC, and a member of the Non-academic Conduct Committee, among other things. Scott says, “I really enjoy being a Campus Ambassador because it gives me the opportunity to talk to people about UWS and all the great things that come with being a student at the University.”

Admissions Staff Member of the Month:

Shane Deadrick is the Transfer Coordinator here at Admissions. He is from Esko, MN, and graduated from the University of Minnesota Duluth, in 1987, with a degree in Broad Area & Life Science, and Secondary Education. Outside of the office, he especially enjoys the outdoors and attending his kids’ athletic events.
