Finalized discussion and writing of section reports for Comm and HHP. Kropid again took notes for our continued work. Assignment for the weekend is for Jacobs to combine the Executive Summary *and* detailed response to Comm Arts in one document and redistribute. Members will review over the weekend so the final APRC responses can be sent to the departments next week.

Jacobs reported that Budgetary Review Council would like some APRC information for their Senate report, also due next week. Jacobs will work on it over the weekend and provide by Monday a.m.
