

Academic Program Review Council

Minutes of May 17, 2012. 2:30-4:30 pm, Swenson 1007

Members Present: Jacobs, Kropid, Li

Wrap-up: Faculty Senate accepted the Comm Arts report and the HHP review. They further agreed to adopt the Ad Hoc Program Review template and guidelines as a 'pilot' for 2012-14. This would cover not only Social Inquiry, but Educational Leadership. Discussion with DBE should be initiated immediately in fall 2012, since DBE Chair indicated they would begin planning in fall 2012, but have actually been given a 'pass' for final review until 2013-14. The adoption of the Ad Hoc Program Review was endorsed by Comm Arts ('anything has to be better').

Natural Sciences indicated they would attempt to be done by May 23. The report may be received on behalf of Senate over the summer by the Executive Committee.
