Members Present: Jacobs; Li; Rosenberg; Stocker.

General Program Review Process Discussion: The Provost has asked the Council to examine the current Department Annual Report form with a view to integrating it with the Program Review document. There is also a proposal to incorporate IDS/IDM and Distance Learning explicitly on the Program Review document. It is suggested that academic departments would use the recommendations of the APRC as a basis to form an action plan.

Natural Sciences Review:

Stocker distributed her summary of Chapter 3.

Next meeting: The remaining Council members still owe their respective chapter summaries:

Chapter 1: Li

Chapter 2: Rosenberg

Chapter 4: Jacobs

It was also suggested that the Council should meet with the new Institutional Research staff member (that is, the new Institutional Planner – Associate) after that hire has begun work, in order to determine what kind of data it will be possible to obtain in the future.
