### Data Collection

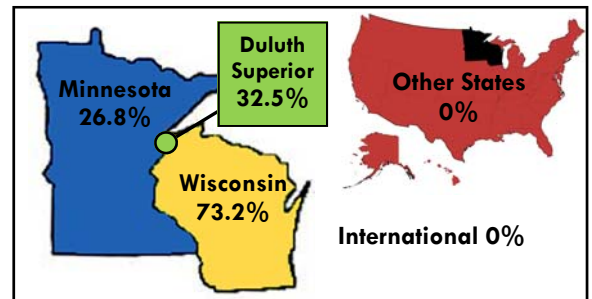

The data presented represents the status of reported students who received undergraduate degrees between Dec. 2013 and Aug. 2014. Information was collected by Career Services through April 2015 using self-reporting surveys, faculty/departmental reports, clearinghouse data, social media, and telephone responses. Data collection and analysis follow guidelines set forth by the National Association of Colleges and Employers. Percentages based on reported graduates, not total graduates. Students who graduated with more than one major were counted in multiple departments.
