Double check that you have all of your books, then choose if you would like to have books replaced or canceled if your preferred condition is not available (i.e. new, used, rental). Once selected you are ready to check out.

Because our textbook inventory can change, please select your preference regarding the condition of your textbooks:

- If the textbook condition (new/used) I selected is unavailable, please REPLACE my textbook with the condition available. This may affect my order total. (Recommended)
- If the textbook condition (new/used) I selected is unavailable, DO NOT replace my textbook. I understand that the unavailable item(s) will be CANCELLED from my order.

On the payment page you are able to choose if you would like to purchase the books with a credit card or if you would like to apply them to financial aid

Note: if you have chosen rental books, you will still need to provide a credit card number. The card is not charged unless you do not return the book on time.

Always check your account in E-Hive to be sure that your expected aid covered the cost of charged books to avoid a "control enrollment" hold that will prevent you from registering until the balance is paid!

Step 12. Make sure to review your order for accuracy before finalizing, and keep a copy of your receipt for your records.

If you have questions of difficulties with any of these steps, your academic advisor is available to help 😊
