AGREEMENT FOR TRANSFER BETWEEN
Central Lakes College
AND THE
University of Wisconsin-Superior

I. Central Lakes College, Brainerd, Minnesota, was created as an independent campus of the Minnesota State Colleges & Universities (MNSCU). Central Lakes College has full accreditation status with the North Central Association of Colleges and Secondary Schools. In the interest of fostering cooperation between our institutions, to better serve the transfer of students from Central Lakes College to the University of Wisconsin-Superior, Central Lakes College and the University of Wisconsin – Superior hereby enter into this articulation agreement.

II. The following articles delineate the understanding between Central Lakes College and the University of Wisconsin-Superior.

A. Students will be encouraged to complete the Associate of Arts degree at Central Lakes College which fulfill the UW-Superior lower division general education requirements as long as campus specific stipulations are met.

1. Completion with a C or better grade in English 1410 and 1411 at Central lakes College which is equivalent to UW-Superior’s English 101 and 102 (Teacher Certification grade of C).

2. Completion of Math 1470 or a higher level math course at Central Lakes College which is equivalent to UW-Superior’s Math requirement.
3. Completion of Speech 1431 at Central Lakes College which is equivalent to UW-Superior’s Communicating Arts 110. (Teacher Certification grade of C).

4. Completion of Biology 2401 (Nutrition) which will be accepted as UW-Superior’s HHP 102. (Central Lakes CC does not offer a Wellness Class.)

5. The general agreement refers to all Associate of Arts degrees except non-college parallel technical programs.

A. Students who graduated from Central Lakes College in the spring term of 2008 or after are subject to the provisions of this articulation agreement between the University of Wisconsin-Superior and Central Lakes College.

B. Transferring Central Lakes College students will be treated as though they had been at UW-Superior as freshman and will be given the same priorities and advantages as residential students providing they have met the Associate of Arts degree at Central Lakes College excluding non-transferable technical programs.

C. Representatives of Central Lakes College and the University of Wisconsin-Superior will explore the development of program-to-program articulation agreements including Associate of Science and Applied Science degrees.

D. Both institutions agree to monitor the progress of the agreement, evaluate its effectiveness, and to make suggestions to modify this agreement.

Provost, UW-Superior                          Date               Provost, Central Lakes CC         Date
