Items for Discussion/Information

Online delivery notification for BUS 484 and FIN 321.

Items up for a Vote

Comm prereq changes for Comm 301 and Comm 368. Chad/Eleni. Approved.

Comm change to include Comm 268 in core courses for Media Studies track. Eleni/Chad. Approved.

Comm catalog copy tabled awaiting clarification of credits for tracks/concentrations and Comm 191/291.

Global Awareness HIPs designations for ACC 466, TRANS 430, BUS 430, POLS 175. Eleni/Priscilla. Approved.

Broadfield Science –add the option for one additional 100-level elective Earth Science course to give students more flexibility. Earth Science – add GEOG 241 (4 cr) to the list of required courses and dropping a 100-level course from the requirements for balance; this change will give students better preparation for upper level courses. Glenn/Eleni. Approved.

Additional science items tabled pending questions on how Geog 402 will be staffed and in what capacity it will be used.

Changes to AP 1304 Final Grade Submission. After discussion it was decided that Jeff would rework the policy and we would forward to departments for feedback and consideration at the next meeting.

Adjourned 3:05 pm.

Next and final meeting: May 9, 2017
