*Learning Through Research*

July 7, 2014

Dr. Suzanne C Griffith, Ph.D.  
Associate Dean of Academic Affairs  
University of Wisconsin – Superior

Dear Dr. Griffith:

On behalf of the Council on Undergraduate Research (CUR), we would like to thank you for submitting a proposal to participate in our National Science Foundation-funded advanced topical workshop on *Integrating Undergraduate Research into Faculty Workload and Tenure and Promotion Guidelines* at The College of New Jersey from October 3-5, 2014.

After having considered your submission, it is with great enthusiasm that we accept your proposal. Each Principal Investigator for this Workshop Program is very enthusiastic to further assist your institutional team with institutionalizing undergraduate research. .

It is our hope that through this process and your deep involvement in the program, we will further develop our working relationship with the University of Wisconsin – Superior.

CUR is committed to supporting our member institutions and enhancing all aspects of undergraduate research across the country. Again, congratulations and we look forward to working with you. If you have any questions about the project or the review process, please contact Shontay Kincaid (skincaid@cur.org).

Sincerely,

The NSF-CCLI Project Co- Principal Investigators
