for transfer of credits between**

**The University of Wisconsin-Superior Legal Studies
Bachelor of Science Degree
and the
Lake Superior College Paralegal Studies Associate of Applied Science Degree**

Effective Dates: January 2013-December 2018 Review Date: June 2018

Introduction and Rationale:

The University of Wisconsin-Superior (UW-S) maintains an educational partnership with Lake Superior College (LSC), a college of the Minnesota State Colleges and Universities System, to provide opportunities for students to enter bachelor's degree completion programs. In the interest of fostering cooperation between our institutions, and to better serve the transfer of students from Lake Superior College to the University of Wisconsin-Superior, the faculty and administration of our institutions have established this articulation agreement.

This Agreement specifies the transfer of credit from the LSC Associate Degree named above to the UW-S Bachelor's Degree named above in recognition that the LSC program prepares students for admission to this Bachelor's degree program. The underlying assumption for this Agreement is that the College provides a foundation of coursework and the University provides the upper-level courses required within the Bachelor's degree program.

LSC students who successfully complete the Associate of Applied Science degree named above and wishing to transfer to the University of Wisconsin-Superior will be awarded the following credits toward a B.S. Degree in Legal Studies.
