RE: Pre-Authorization for a B.A. in Writing

In a memo dated April 1, 2013, you invited all UW System institutions and the Office of Academic, Faculty, and Global Programs to comment on your proposal to plan a B.A. in Writing. On April 18, 2013, you forwarded a compilation of all responses received to me and to the provosts at all UW institutions.

The proposed program is potentially a valuable addition to the curriculum at UW-Superior, and I am pleased to grant your request for pre-authorization to plan this program. Please note that it is our understanding that this program will be offered face-to-face.

Please submit your authorization document and your Letter of Commitment electronically to afgp@uwsa.edu. When you submit these documents, please indicate what tuition and fees will be charged to students who enroll in this program. Kindly note that the Board of Regents, as of Fall 2013, requires that a financial statement be included with the authorization documents. A template for this financial statement is forthcoming from my office.

This pre-authorization will expire five years after the date of this memo if this program has not been authorized by the Board of Regents prior to that date.

Please contact my office at 608.262.8778 or afgp@uwsa.edu if you would like assistance with the development of the authorization documents.
