Please return to Old Main 110 or email finaid@uwsuper.edu.

Completed petitions will not be accepted after the 1st day of the last month of the term for which you are petitioning.

Step One: Student Data Section (PLEASE PRINT CLEARLY)

Name: _____ Student ID: _____
Petition Submitted for: Fall _____ Spring _____ Summer _____ Academic Year: _____

Step Two: Petition Type (Select one or more of the following; please see your suspension notice)

- Grade Point Average (GPA): Cumulative GPA drops below 2.0 for undergraduates or 3.0 for graduates
Credits Attempted versus Credits Earned: Pace of completion drops below 67%
Maximum Timeframe: Credits in excess of 150% of the published length of student's academic program

Step Three: Personal Statement and Required Documentation

Respond to the following on a separate sheet(s); one sentence responses are not acceptable.

- 1. Explain the extenuating circumstances, including relevant dates, which prevented you from meeting the requirements for maintaining financial aid eligibility.
2. Indicate what circumstances have changed that will allow you to maintain financial aid eligibility for the requested and future terms. What steps will you take to ensure that you will be successful in the future?

All petitions submitted at midterm or later require current grades from the instructor for each enrolled course.

Required documentation for GPA and Credits Attempted vs. Credits Earned

- In most cases, the documentation needs to be from a third party, someone not related to you (work supervisor, medical professional, clergy, social worker, counselor, etc.) who is familiar with your situation and can support the reason for appeal.
The documentation should be on letterhead, where applicable, and include relevant dates.

Required documentation for Maximum Timeframe

- Include a graduation plan that outlines the required credits for your degree, the credits you still have outstanding and the term(s) in which you plan to register for those credits.

Step Four: Student Certification

I attest that all information to qualify for financial aid is complete and accurate.

- If approved for GPA, I agree to achieve a 2.5 minimum GPA (3.5 for grad students) per semester, until my cumulative GPA reaches the required rate.
If approved for Credits Attempted vs Credits Earned, I agree that I will complete and pass all credits enrolled in, and added after the census date of class, until I have met the proper completion rate.
If approved for Maximum Timeframe, I agree to follow the submitted graduation plan.
