Speaking of jobs....

Students, be sure to keep an eye on Jacket Jobs for openings that will start to get posted for positions all over campus for the next academic year. I know it’s hard to imagine thinking about next year already, but a lot of departments on campus are. FYE will be posting positions for SOAR and WoW Team Leaders the first week of spring break. So, keep it in mind if you’re interested! :)

Head of the Lakes Job Fair

It is that time of year again to get ready for the Spring 2015 Head of the Lakes Job and Internship Fair! This is a great, FREE event for students and alumni from the Twin Ports, as well as community members, to interact with over 80 different employers from the area. While at the fair, you can learn more about the current job market and find all sorts of opportunities from internships and summer work to part-time and full-time positions.

All UWS students should strongly consider attending this event. Even if you are not currently looking for a job, this is a great way to begin networking with people in the community, and it’s the perfect chance to get your resume put together or updated. If nothing else it is great practice for learning to interact with potential employers and preparing you for future interviews. The details of the event are as follows:

When: Wednesday, February 11th 1:00pm - 5:00pm
Where: Yellowjacket Union Great Room
Dress: Business Professional
