Gender Equity Award Descriptions

Breaking the Silence:

Awarded to those individuals (usually but not exclusively LGBTQIPA+) who have consistently spoken out to uplift LGBTQIPA+ individuals and break the oppressive silence of homophobia and hate.

Outstanding Ally:

Awarded to those individuals (usually but not exclusively heterosexual allies) who have stood beside LGBTQIPA+ individuals through hard times, and advocated for those who needed them.

Academic Excellence:

Awarded to LGBTQIPA+ and/or allied students who have incited their own learning process and truly demonstrated their will to perform well academically.

Faculty/Staff Advocacy:

Awarded to faculty/staff who have stepped up to speak out or advocate for LGBTQIPA+ on campus. Whether they have been active at events or programs, or mentored individuals and supported them throughout life's challenges, these individuals go above and beyond their job descriptions to advocate.
