**Gen-Ed Committee Decision Rationale:**

The course meets the specific goals for General Education certification as checked below:

- Core Requirements: course meets the skills to be learned in this category
- Knowledge Category: course meets the requirements of this category; the area of study is central to the course design.
- Diversity & Non Western category: course meets the specific requirement for that/those designation(s)
- The General Education Learning Goal(s) is/are central to the design of this class

OR

This course does not meet the specific goals for General Education certification because:

- This course did not address the goals of the category sought
- This course did not sufficiently address the General Education Learning Goals specifically:

The Gen-Ed Committee requests that your proposal be re-submitted with the areas checked above addressed
