1. Assists in the development of a recruitment plan and goals for their individual territory that integrates with the overall recruitment plan of the university
2. Contributes to the achievement of university enrollment and recruitment goals and objectives by representing the University of Wisconsin-Superior at college fairs and high school recruitment visits
3. Advise prospective students and their families regarding admission requirements, academic programs, financial aid and scholarships, residence halls, student organizations and activities
4. Respond to and initiate contact with prospective students through written, phone, email and in-person; meet with visiting students and their families; track all prospective student contact in CRM database
5. Collaborate and work closely with other admissions counselors to ensure a productive team environment
6. Join, and participate in, regional admission and school counselor associations to build solid working relationships
7. Assist in the development and delivery of on-campus events and programs
8. Assist with meeting enrollment, recruitment and student service objectives of the university by performing other essential duties and responsibilities as assigned
9. Other duties as assigned

Knowledge, Skills and Abilities:
1. Knowledge of at least one of the following areas: admissions, financial aid, recruiting, advising or counseling and/or teaching.
2. Knowledge and understanding of higher education and the value of a public liberal arts education.
3. Skill in strong cross-cultural interpersonal and writing skills, including public speaking skills and the ability to present the University of Wisconsin-Superior in a positive way to diverse populations
4. Proven ability to work effectively with K-12 partners, prospective students and their families
5. Ability to manage a variety of tasks and organize a variety of on and off-campus events
6. Ability to exhibit a high level of initiative and motivation
7. Ability to travel, load and transport admission materials, displays and other equipment
8. Ability to work and be productive in a team environment
9. Ability to work evening and weekend hours
10. Ability to represent the admissions office positively through a strong, student-centered ethic

Required Qualifications:
1. Bachelor’s degree from an accredited institution
**Desirable Qualifications:**

1. One or more years working in college admissions
2. Knowledge of Student Information Systems (SIS) and Customer Relations Management (CRM) System
3. Familiarity with University of Wisconsin-System
