

**Data Collection**

The data represent the status of students who received undergraduate degrees during the 2017-18 academic year. Information was collected by Career Services and Institutional Research through May 2019 using self-reported surveys, faculty/departmental reports, National Student Clearinghouse, social media, and telephone responses. Data collection and analysis follow guidelines published by the National Association of Colleges and Employers (NACE).

**Q: What did undergraduates from each department do after graduation?**

*Click for detailed lists:*
