I understand that we will be departing YU Circle Drive for **Superior Paintball Club** on **10/16/2010**. I have been given a schedule for the bus shuttle. I understand that if I want a ride back to UW-Superior I must be back in the location at which I was dropped off at one of the pick-up times listed. I have paid special attention to the last pick up time for my location.

I understand that if I am not on the bus (which will be stopping at the same spot it dropped us off) by the last pick up time listed on the schedule that I will be personally responsible for finding my own transportation and paying for any fees associated with transportation back to UW-Superior.

By signing this waiver, I agree that I have received the bus schedule and that I agree to the above terms.
