Welcome to the Office of Multicultural Affairs – a place where everyone can learn!

Boozhoo! Hola! Nyob Zoo! Habari Gani! Hello!

The UW-Superior Office of Multicultural Affairs is focused on the success of African American, American Indian/First Nations, Asian American and Hispanic/Latino American students and is an educational tool where everyone can learn about issues relating to various cultures.

We want you to have help with whatever needs arise; a home away from home; a broadening of your world view; experience with people and cultures other than your own.

The Multicultural Center is a space dedicated to the diverse cultures of America. It is a place where all students can study, host an event or meeting, or relax in a room that has artwork representing multicultural groups on campus.

The room is equipped with computers, a P.A. System, refrigerator and a microwave. For more information, go to uwsuper.edu/oma.
