

Spring 2015 Enhancement Day January 14, 2015

**Program for Track One**  
**for Faculty and Long-term Instructional Academic Staff**

***Getting the Work Started:***  
**UW-Superior Academic Programs**  
**Working Session on Critical Future Directions**

8:45 - 9:00 a.m.: **Welcome, Purpose and Greeting**  
from Provost Faith Hensrud, Chancellor Renee Wachter

9:00 - 11:00 a.m.  **Overview of Strategic Plan Initiatives and Forward View of our campus opportunities**

- Overview of Metrics and Initiatives of the Strategic Plan by Planning Core Team and Provost Hensrud: What's due Year One, Year Two and Year Three?
- Academic Program participants will have preliminary conversations about Year One initiatives

11:00 - 12:00 p.m.  **HIPs Integration - Mapping to Strategic Plan Initiatives**

- Overview of High Impact Practices (HIPs) and explanation of mapping exercise by Associate Dean Suzanne Griffith and HIPs Team, followed by Q & A

12:15 - 12:45 p.m.: **Complimentary luncheon** hosted by CETL

12:45 - 1:45 p.m.: **HIPs Mapping Work Session by Academic Program Participants**

- Participants will be at tables arranged by Academic Program to begin work on the mapping exercise explained by HIPs Team and with support from HIPs team members.

Coffee/tea break

2:00 - 2:45 p.m.  **Overview: Academic Program Demand Analysis**

- Representatives of **Burning Glass** will explain the analysis as it links to setting up Advisory Committees, developing pathways for graduating seniors into employment, considering opportunities to realign curriculum or identify where in curriculum key skills are shared with students

2:45 - 3:45 p.m. **Table Discussions by Academic Program Participants**

- Program specific data provides the opportunity to process the results for individual programs and begin first dialogues on potential opportunities from the study results (linked to creating Advisory Committees for majors, experiential learning options and easing pathways for UW-Superior graduates into employment opportunities)

3:45 - 4:00 p.m. **Wrap Up Summary** by Dr. Maria Cuzzo on behalf of CETL
