Arts & Culture Education

UNIVERSITY of WISCONSIN
Superior

Arts, Culture & Education at UW-Superior

UW-Superior is a regional hub for the arts, cultural, and education. Help us spread the word on-campus and throughout the community! Look for this digital flier graphic on the UW-Superior Facebook page and help share our great upcoming events.

Also, feel free to hang this in your office or invite a friend or colleague to attend an event together. If you can, this is a great way to support and be involved in all UW-Superior has to offer.

Process for Selecting Events

If you feel that any of your programming events fit this grouping but got missed on the list, make sure that the event is included on the UW-Superior online calendar and is tagged as an **Arts** and **Entertainment** or **Community** event.

Suggestions? Please let us know!

This flier was created in response to many community members and groups asking us to more broadly and succinctly share all UW-Superior has to offer. As a first attempt, we are sure it's not perfect. If you have suggestions on how to improve this going forward please contact Jenice Meyer, Interim Director of the Center for Community Engaged Learning at jmeyer@uwsuper.edu. We are planning to continuing creating these digital fliers and your insights on how to improve would be appreciated!
