### Family Friendly Events at UW-Superior

Help spread the word of the great family friendly options happening throughout the UW-Superior community! Look for the graphic on the reverse side on the UW-Superior Facebook page and help us share the great upcoming events.

Also, feel free to hang this in your office or share with others. If you can, attend one of these events. It is a great way to support and be involved in all UW-Superior has to offer.

### Process for Selecting Events

If you feel that any of your programming events fit this grouping but got missed on the list, make sure that the event is included on the UW-Superior online calendar and is tagged as an **Family Friendly** event.

Look for a listing of summer events coming soon, and make sure to get your event added to the UW-Superior online calendar.

### Suggestions? Please let us know!

This flier was created in response to many community members and groups asking us to more broadly and succinctly share all UW-Superior has to offer. As a first attempt, we are sure it's not perfect. If you have suggestions on how to improve this going forward please contact Jenice Meyer, Interim Director of the Center for Community Engaged Learning at [jmeyer@uwsuper.edu](mailto:jmeyer@uwsuper.edu). We are planning to continue creating these digital fliers and your insights on how to improve would be appreciated!
