

Values

At the University of Wisconsin-Superior, we value ourselves and our long-term commitment to student learning by emphasizing academic excellence, intellectual development, a student-centered campus, integrity, continual improvement, and mutual respect for diversity.

- **Intellectual Development** - In the liberal arts tradition, we seek to cultivate life-long learners who can think critically, communicate in a variety of mediums, and apply knowledge in order to solve problems.
- **Student Focus** - We emphasize personal attention to the student.
- **Integrity** - We earn trust through honest, sincere, and humble leadership.
- **Continual Improvement** - We seek to enhance the quality of all programs and services.
- **Collegiality** - We stress mutual respect, appreciation for diversity, and respect for diverse perspectives.
- **Community** - We foster civic engagement and community involvement.
