<p><i>Note: Starting in 2013: Underage drinking and many drug abuse violations are civil offenses in the State of Wisconsin, not criminal offenses, and therefore tickets issued for these offenses are not classified as "arrests," as per Clery Act regulations. In the spirit of transparency, UW-S DPS issued 41 civil underage alcohol consumption and 16 drug law violation citations in 2013 for violations that occurred within Clery-reportable geography. Crime statistics from 2013 also include new and expanded categories as a result of the 2013 reauthorization of the Violence Against Women Act. These categories include domestic violence, stalking, rape, fondling, incest and statutory rape. Dating violence is a form of domestic violence in Wisconsin; therefore, dating violence incidents are included in the domestic violence statistics. Previous annual statistics do not include this information, but subsequent annual statistics will, beginning with the 2013 column of this chart."</i></p>
