

Annual Campus Security and Annual Fire Safety Report Information

Overview

This combined report includes statistics for the previous three years concerning specific reported crimes that occurred on campus, in certain off-campus buildings, or on property owned or controlled by the University of Wisconsin-Superior for student instructional use; and on public property within.

This also includes descriptions of current institutional policies concerning campus security, such as those concerning sexual assault and other required matters.

An Annual Fire Safety Report is also included as of the 2010 report. This report includes statistics for the previous three years concerning reported fires that occurred on campus in residence facilities and descriptions of current institutional policies concerning fire safety.
