<p>Fire Safety: A resident was going to fry a sandwich on the stove top in the second floor kitchen when a small amount of grease that was left from a previous user caught fire. The resident turned off the burner and used a dry chemical fire extinguisher to put out the small stove top fire. There was no damage other than the dry powder needing to be cleaned up.</p>	M20150000593	04/10/2015, 11:15am	04/10/2015, 11:15am	Hawkes Hall second floor kitchen area	None
