INCIDENT SUMMARY REPORT June 1 - 30, 2013

Jun 6th: The Locksmith reported Ostrander Hall Room #407 (Roof Access) door lock/knob plate had been vandalized in an apparent attempt to gain access to the roof at some time during the spring semester. There is no video surveillance of the area. The Locksmith and the responding Campus Safety Officer could not be certain that access was not made, however it appeared to us that it had not.

Jun 27th: A Campus Safety Officer noticed an adult male taking a women's bike from the rack behind Crownhart Hall. Upon investigation it was determined that the bike apparently belonged to the adult male's mother. This case was determined by the investigating officer to be unfounded.
